

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF CALIFORNIA

ANTHONY L. DAVIS,

Petitioner,

v.

SCOT KERAN,

Respondent.

No. 2:21-cv-00136-TLN-DMC

**ORDER**

Petitioner, a state prisoner proceeding *pro se*, brings this petition for a writ of habeas corpus pursuant to 28 U.S.C. § 2254. The matter was referred to a United States Magistrate Judge pursuant to Eastern District of California local rules.

On August 31, 2021, the Magistrate Judge filed findings and recommendations herein which were served on the parties and which contained notice that the parties may file objections within the time specified therein. Timely objections to the findings and recommendations have been filed.

In accordance with the provisions of 28 U.S.C. § 636(b)(1)(C) and Local Rule 304, this Court has conducted a *de novo* review of this case. Having carefully reviewed the entire file, the Court finds the findings and recommendations to be supported by the record and by proper analysis.

///

Pursuant to Rule 11(a) of the Federal Rules Governing § 2254 Cases, the Court has considered whether to issue a certificate of appealability. Before Petitioner can appeal this decision, a certificate of appealability must issue. See 28 U.S.C. § 2253(c); Fed. R. App. P. 22(b). Where the petition is denied on the merits, a certificate of appealability may issue under 28 U.S.C. § 2253 “only if the applicant has made a substantial showing of the denial of a constitutional right.” 28 U.S.C. § 2253(c)(2). The Court must either issue a certificate of appealability indicating which issues satisfy the required showing or must state the reasons why such a certificate should not issue. *See* Fed. R. App. P. 22(b). Where the petition is dismissed on procedural grounds, a certificate of appealability “should issue if the prisoner can show: (1) ‘that jurists of reason would find it debatable whether the district court was correct in its procedural ruling’; and (2) ‘that jurists of reason would find it debatable whether the petition states a valid claim of the denial of a constitutional right.’” *Morris v. Woodford*, 229 F.3d 775, 780 (9th Cir. 2000) (quoting *Slack v. McDaniel*, 529 U.S. 473, 120 S.Ct. 1595, 1604 (2000)). For the reasons set forth in the Magistrate Judge’s findings and recommendations, the Court finds that issuance of a certificate of appealability is not warranted in this case.

Accordingly, IT IS HEREBY ORDERED that:

1. The findings and recommendations filed August 31, 2021, are ADOPTED IN FULL;
2. This action is summarily DISMISSED;
3. The Court declines to issue a certificate of appealability; and
4. The Clerk of the Court is directed to enter judgment and close this file.

Date: October 7, 2021

  
 Troy L. Nunley  
 United States District Judge
